About Company

Kris V Resources Sdn Bhd is a Malaysian-incorporated private limited company established in 2017, specialising in manpower supply and workforce solutions for the construction and infrastructure sectors.

We provide reliable, skilled, and semi-skilled workers to support various project requirements, ensuring smooth operations and timely project delivery. Our services cover the full manpower lifecycle, including sourcing, screening, deployment, and workforce management.

Fully registered with the Companies Commission of Malaysia (SSM), we operate in strict compliance with Malaysian labour laws and industry regulations. Our commitment is to deliver efficient, compliant, and high-quality manpower solutions tailored to our clients' needs.

Mission

To deliver dependable and efficient manpower solutions by providing skilled workers, ensuring compliance with labour regulations, and supporting clients in achieving operational excellence.

Vision

To be a trusted and reliable service provider in the construction and manpower industry, recognised for quality workmanship, regulatory compliance, and sustainable workforce solutions in Malaysia.

Our Services

**Skilled and semi-skilled
manpower supply**

**General labour supply
for construction and
infrastructure projects**

**Workforce sourcing,
screening, and deployment**

**Site workforce
coordination and
supervision support**

**Project-based manpower
solutions**

Our Projects

Kumkang Kind (M) Sdn Bhd

Kris V Global Sdn Bhd was engaged to provide skilled and general construction manpower for a project located in Nilai, Negeri Sembilan. Our scope included sourcing, deploying, and managing workers to support on-site construction activities while ensuring compliance with safety standards and project timelines. The project was completed with smooth workforce coordination, contributing to efficient site operations and timely progress.

Our Projects

Tenaga Nasional Berhad (Tanah Rata, Cameron Highland)

Kris V Global Sdn Bhd is currently engaged in a maintenance project with Tenaga Nasional Berhad (TNB) located in Tanah Rata, Cameron Highlands. Our scope of work involves supplying skilled and general manpower to support electrical infrastructure maintenance activities, including site clearing, excavation, and equipment handling.
